### SITE PLAN

1. Indicate north point and all abutting roads.
2. Show location of all structures and driveways; indicate if new or existing.
3. Show dimensions of proposed structures and other development, expressed in feet.
4. Show off-street parking and loading areas with dimensions. Contact city clerk for specific rules.
5. Show location of well and septic including tank and drain field, if applicable.
6. There may be designated setbacks which vary from one zoning district to another. The property owner is responsible and liable for exact measurements from all lot lines and road right-of-way lines. Check with the city clerk for zoning setbacks in the district in which you are improving.
7. Designated flood areas require a flood plain development permit which includes restrictions.
8. Application and drawing must be complete in its entirety and returned with the filing fee before it will be processed and approved.
